Love, Oa oqqp

# About us

.....

This is the story of  
Oa oqqp & Oa yjj...

I remember meeting  
you in September 2018  
in treasury meeting

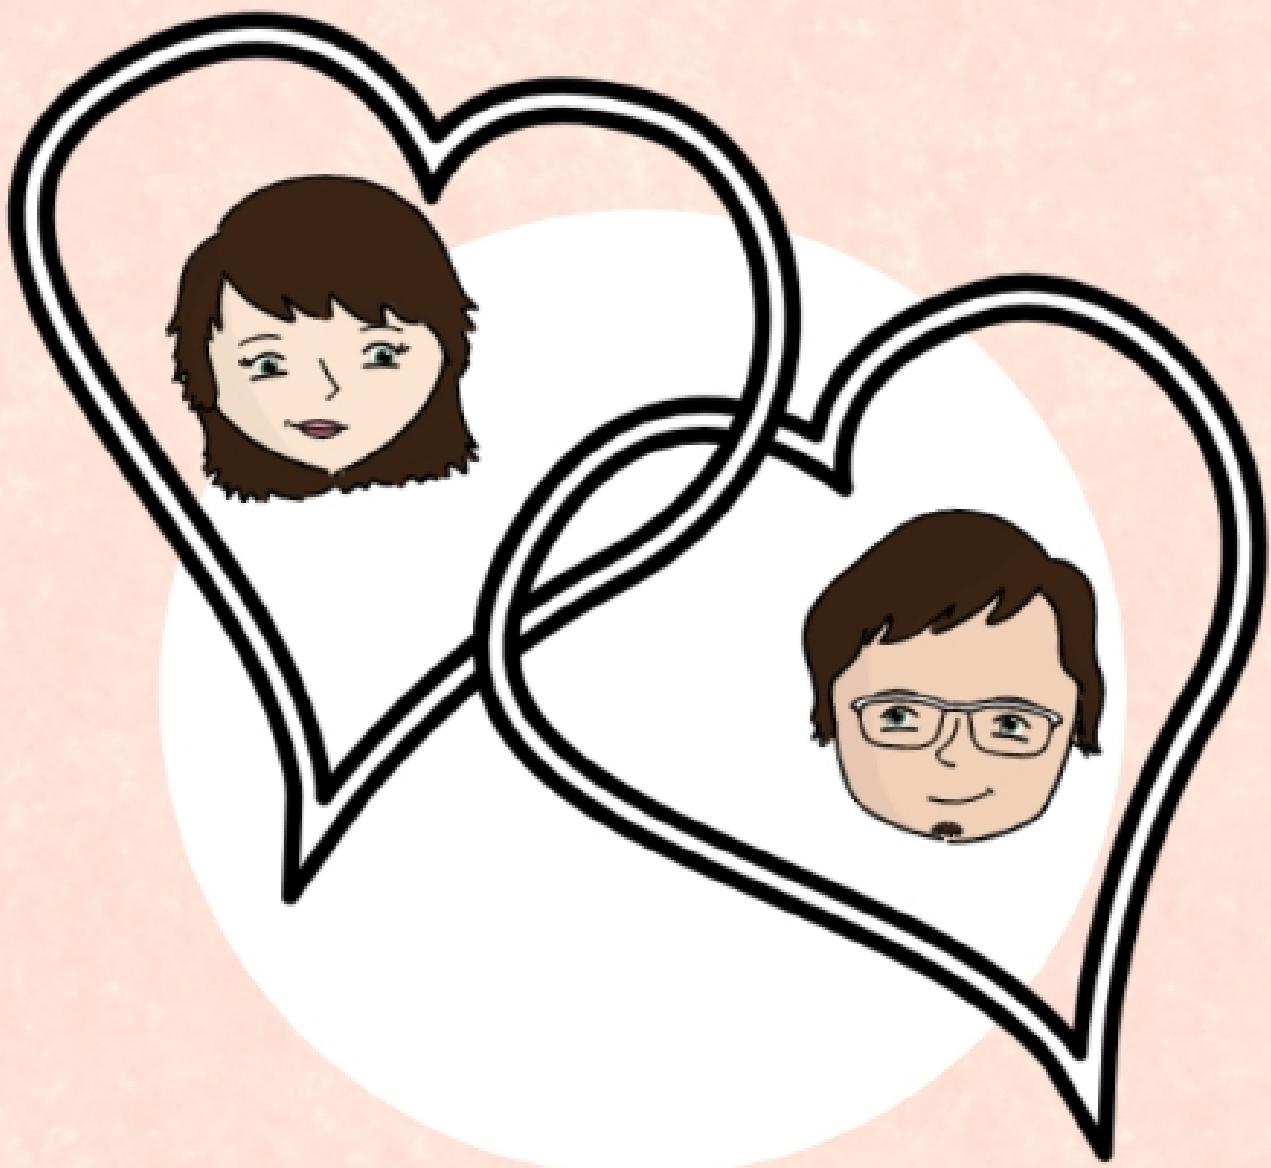

# I love that we met in the social club

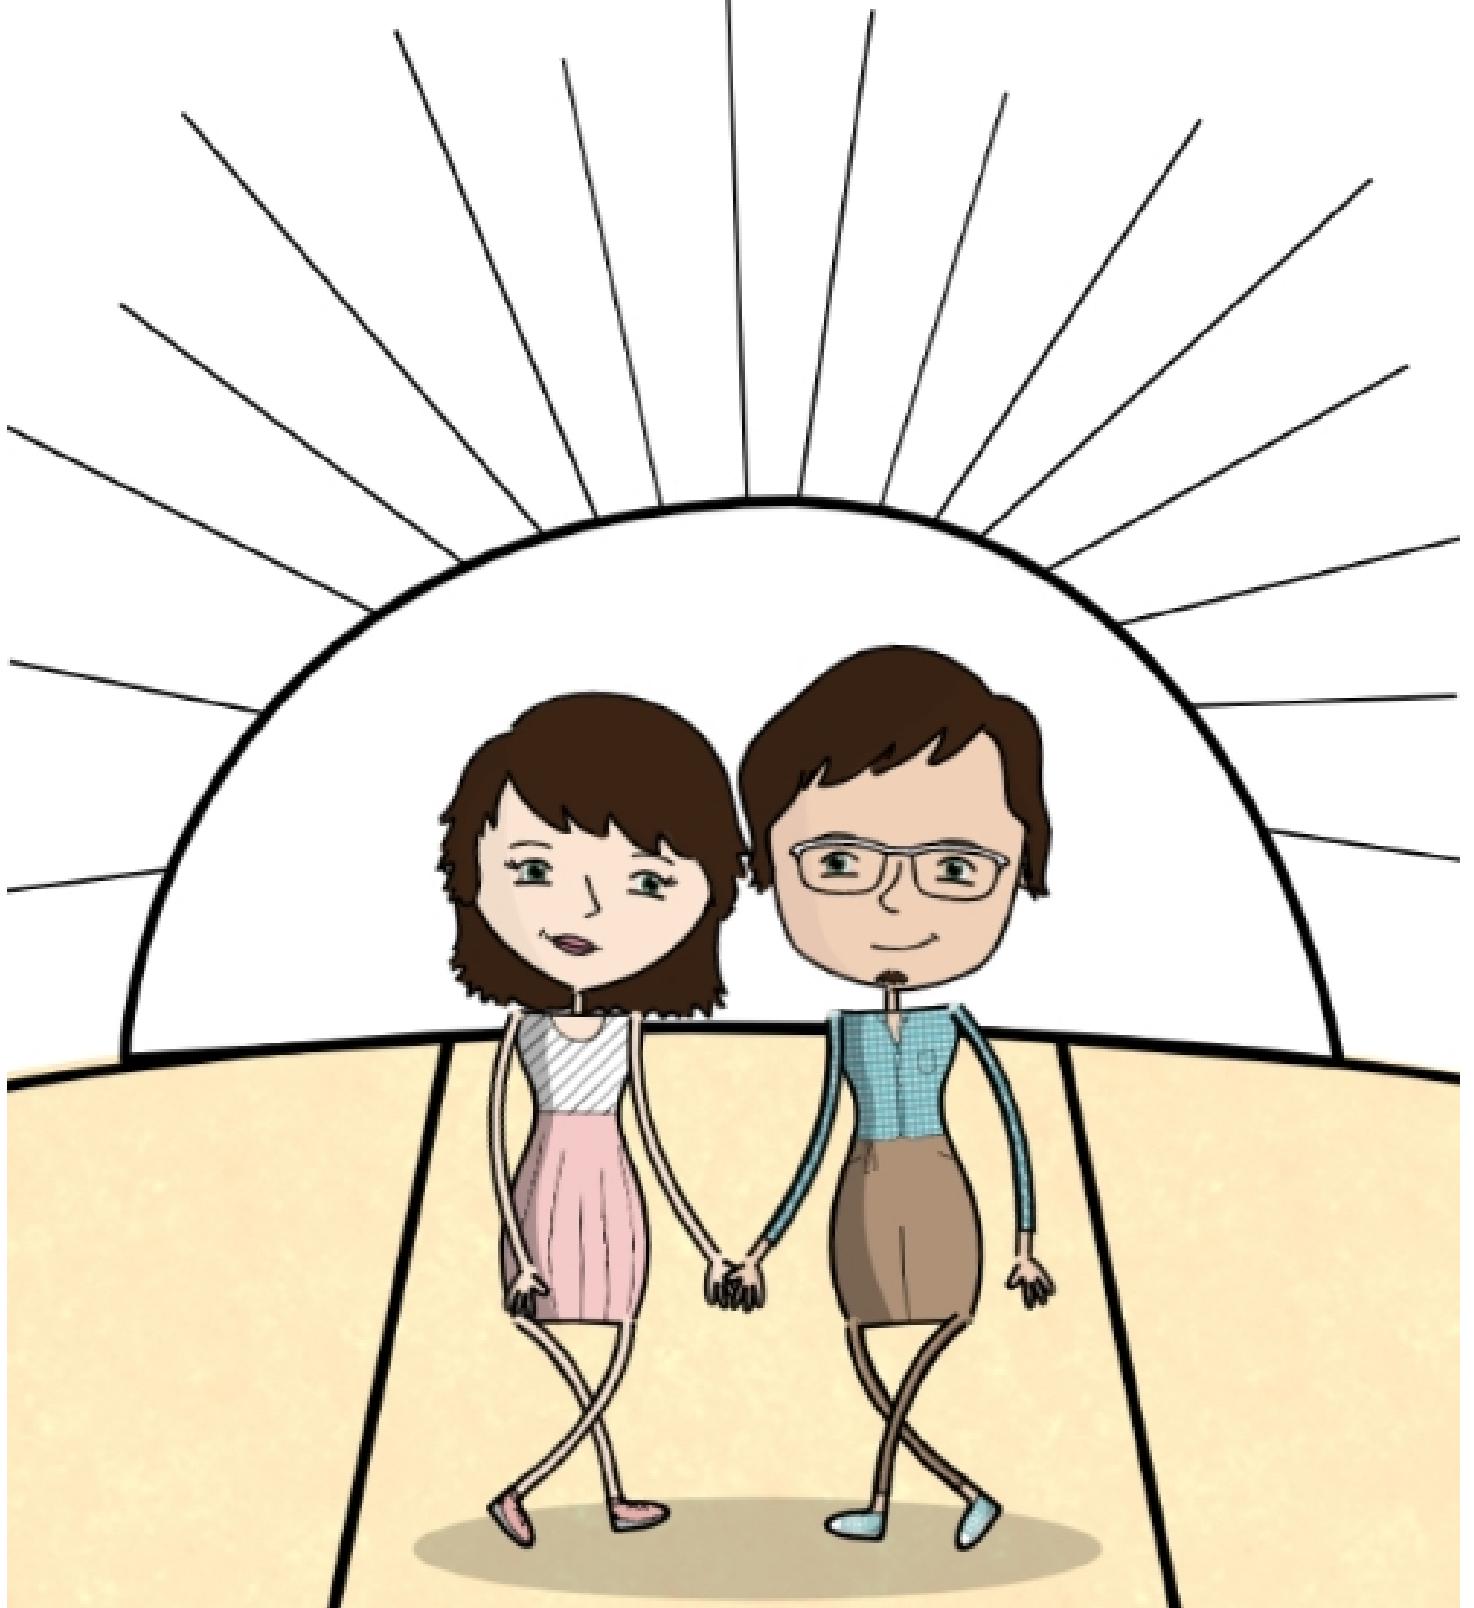

The first thing I noticed about you was your beautiful smile, this is what you said

From that  
moment, I knew I  
had to meet you

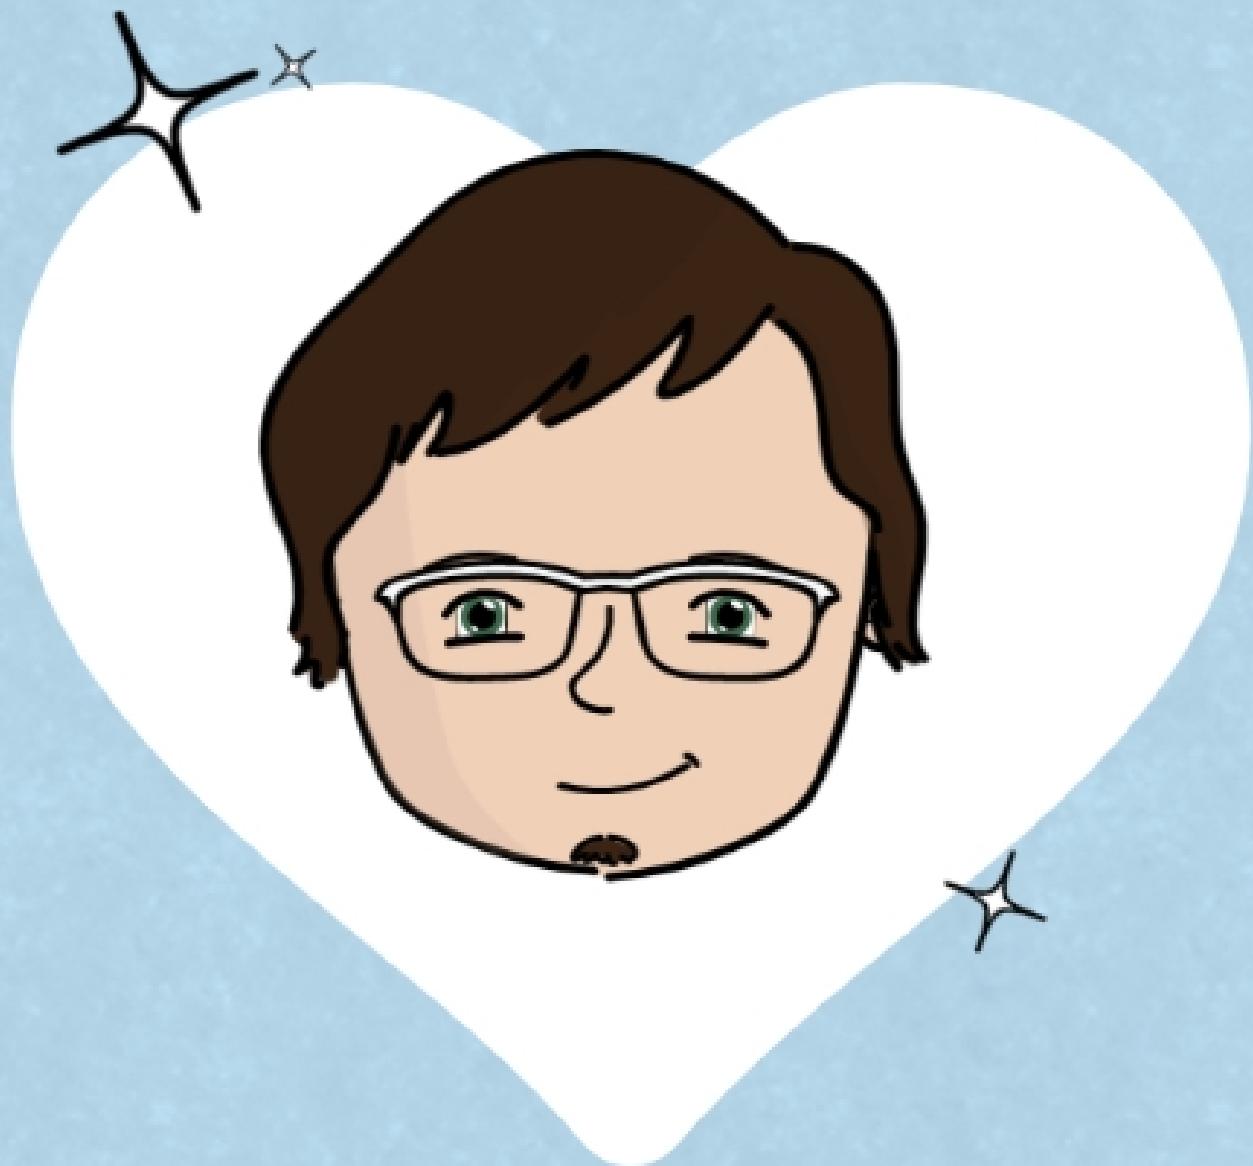

Since then,  
every day has  
been amazing!

I created this book  
to tell you the reasons  
why I love you

So, here goes...

I love that we aren't  
the same height, and  
it's cute

I love  
spooning  
with you

I love talking on  
the phone with  
you, Oa yjj

I love that you tell me  
what you need and  
how you're feeling

I love you even when  
we are apart...i will  
always love you

# I love laughing with you

I love stargazing with you, i  
know you love stars

I love that  
you're my other  
half

I love your  
beautiful eyes,  
brown and green

I think Oa oqap need  
to apply for this job,  
i will send her a  
screenshot

I love that you're  
always thinking of me

I love that I want  
to be with you...

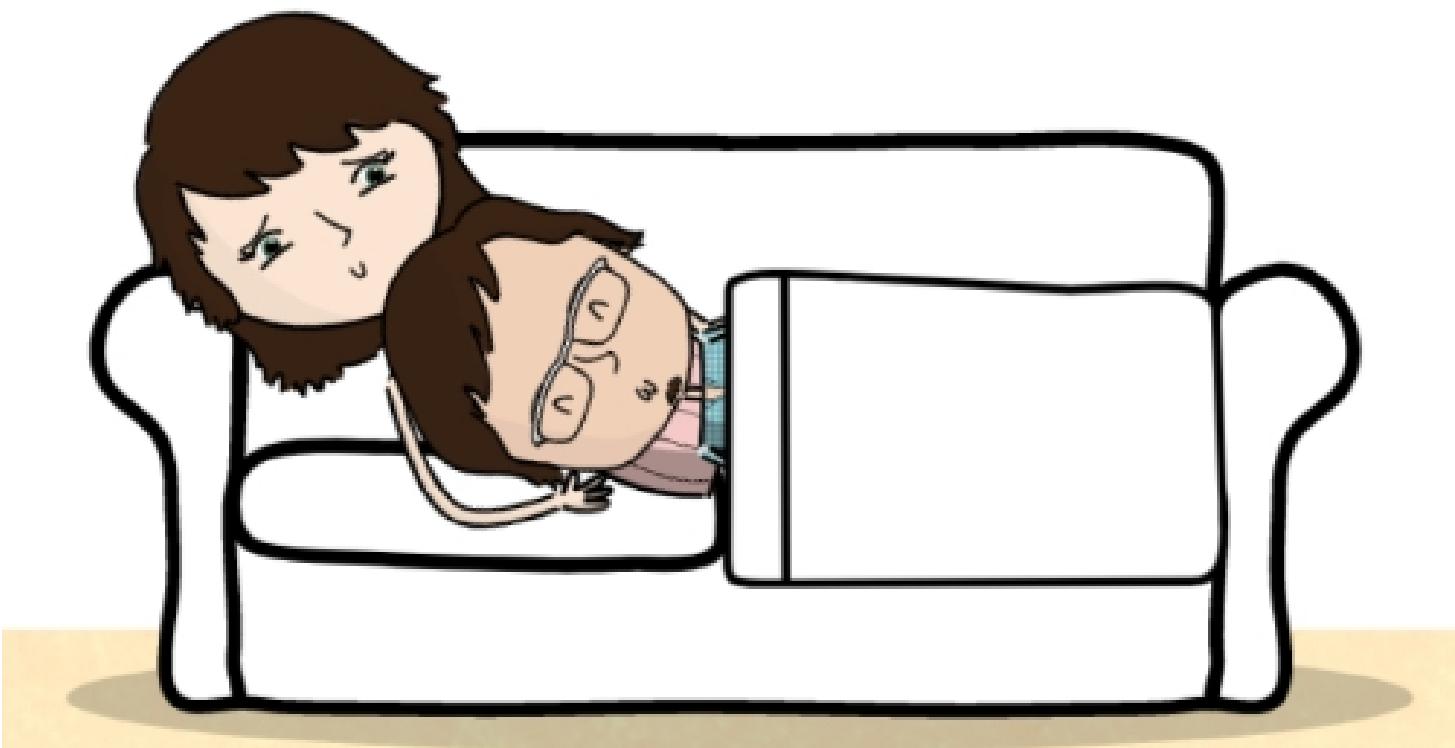

...every minute of  
every day!

# I love everything about you

# I love cuddling with you

Oa yjj is  
so cute!

I love your  
massages (just  
imagining hehehe)

I love  
taking walks with you  
without knowing the  
destination

I love when you gaze  
at me when we meet  
and you tell me that  
I'm cute hehe

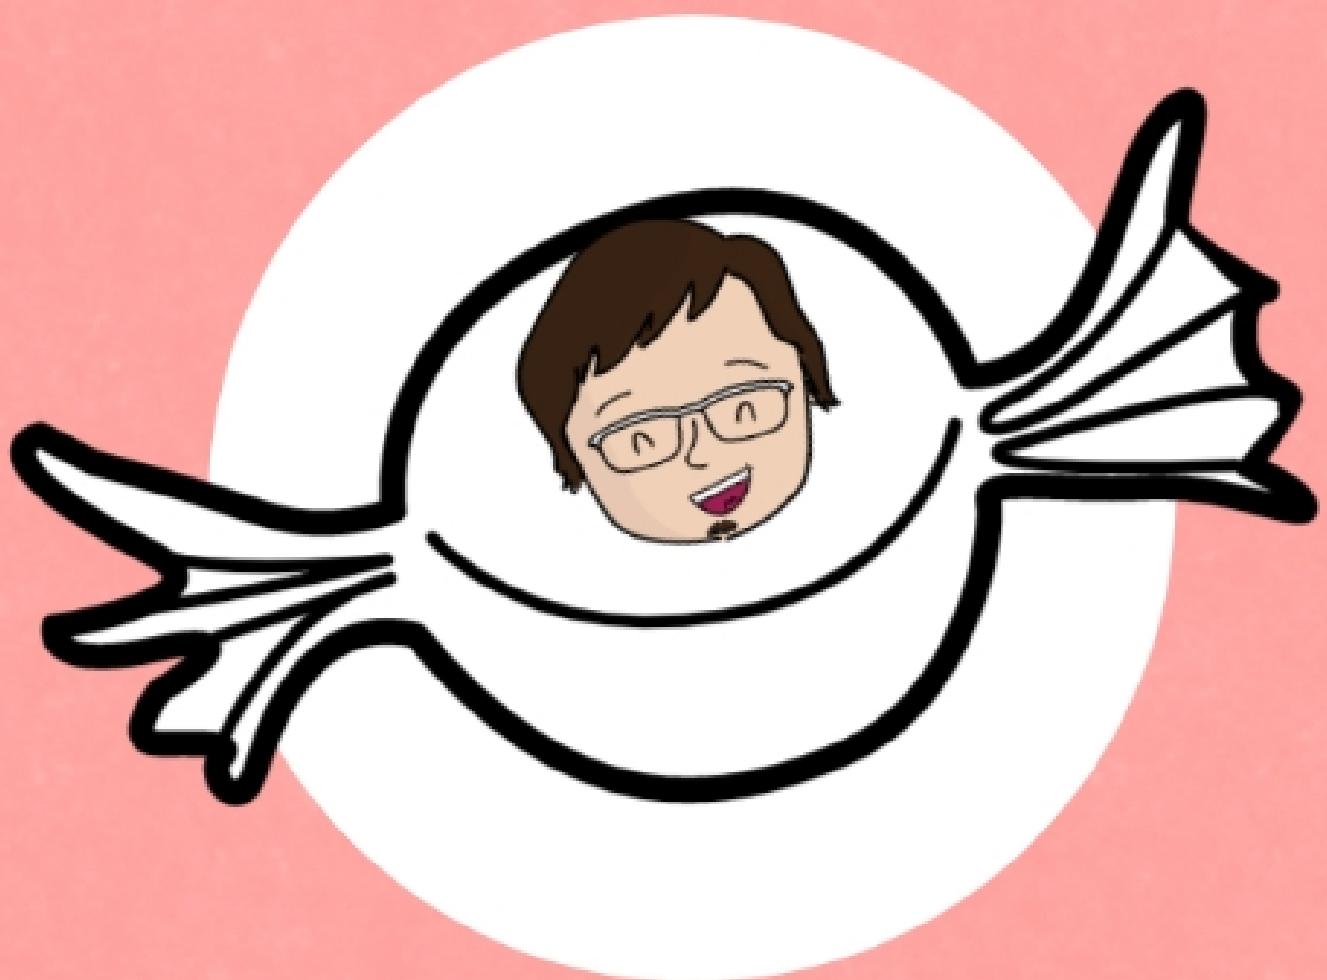

# I love hugging you

You're so  
wonderful, Oa  
oqqp

You are my  
favorite  
kind of eye candy

# I love that you are my best friend

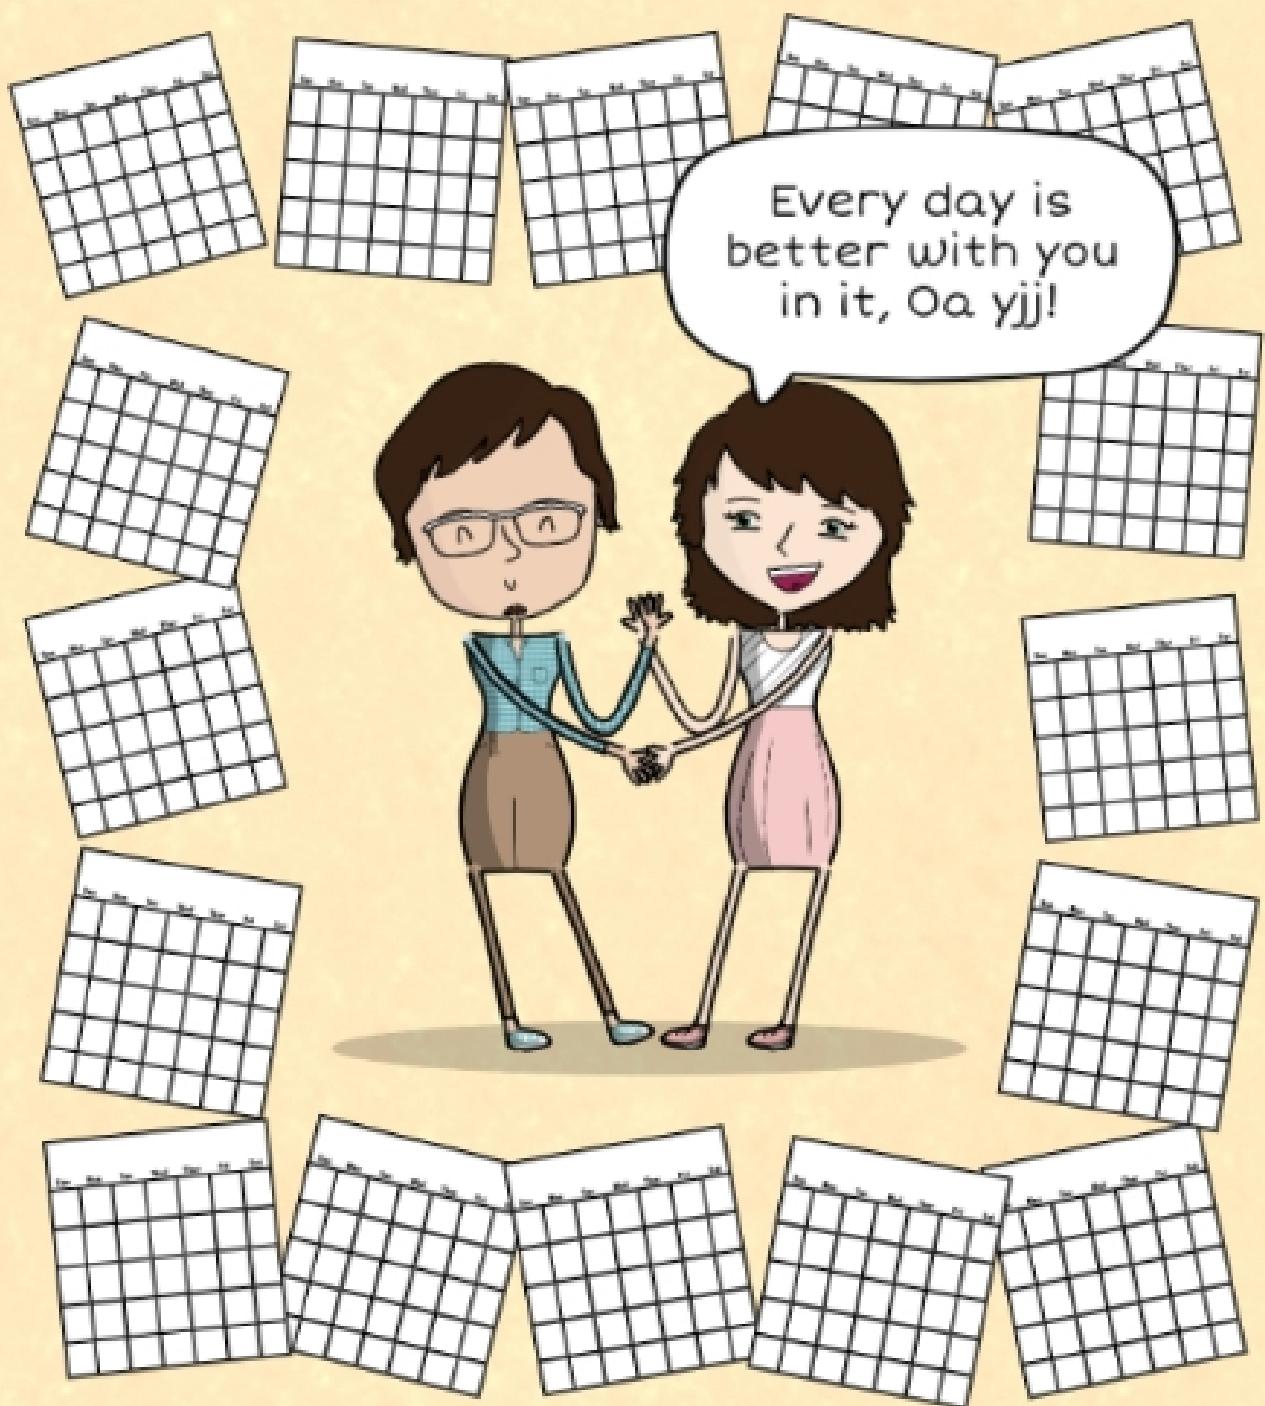

I will  
never give  
up on us

I love that you  
care about other  
people with all  
your heart

# I love the time we've spent together

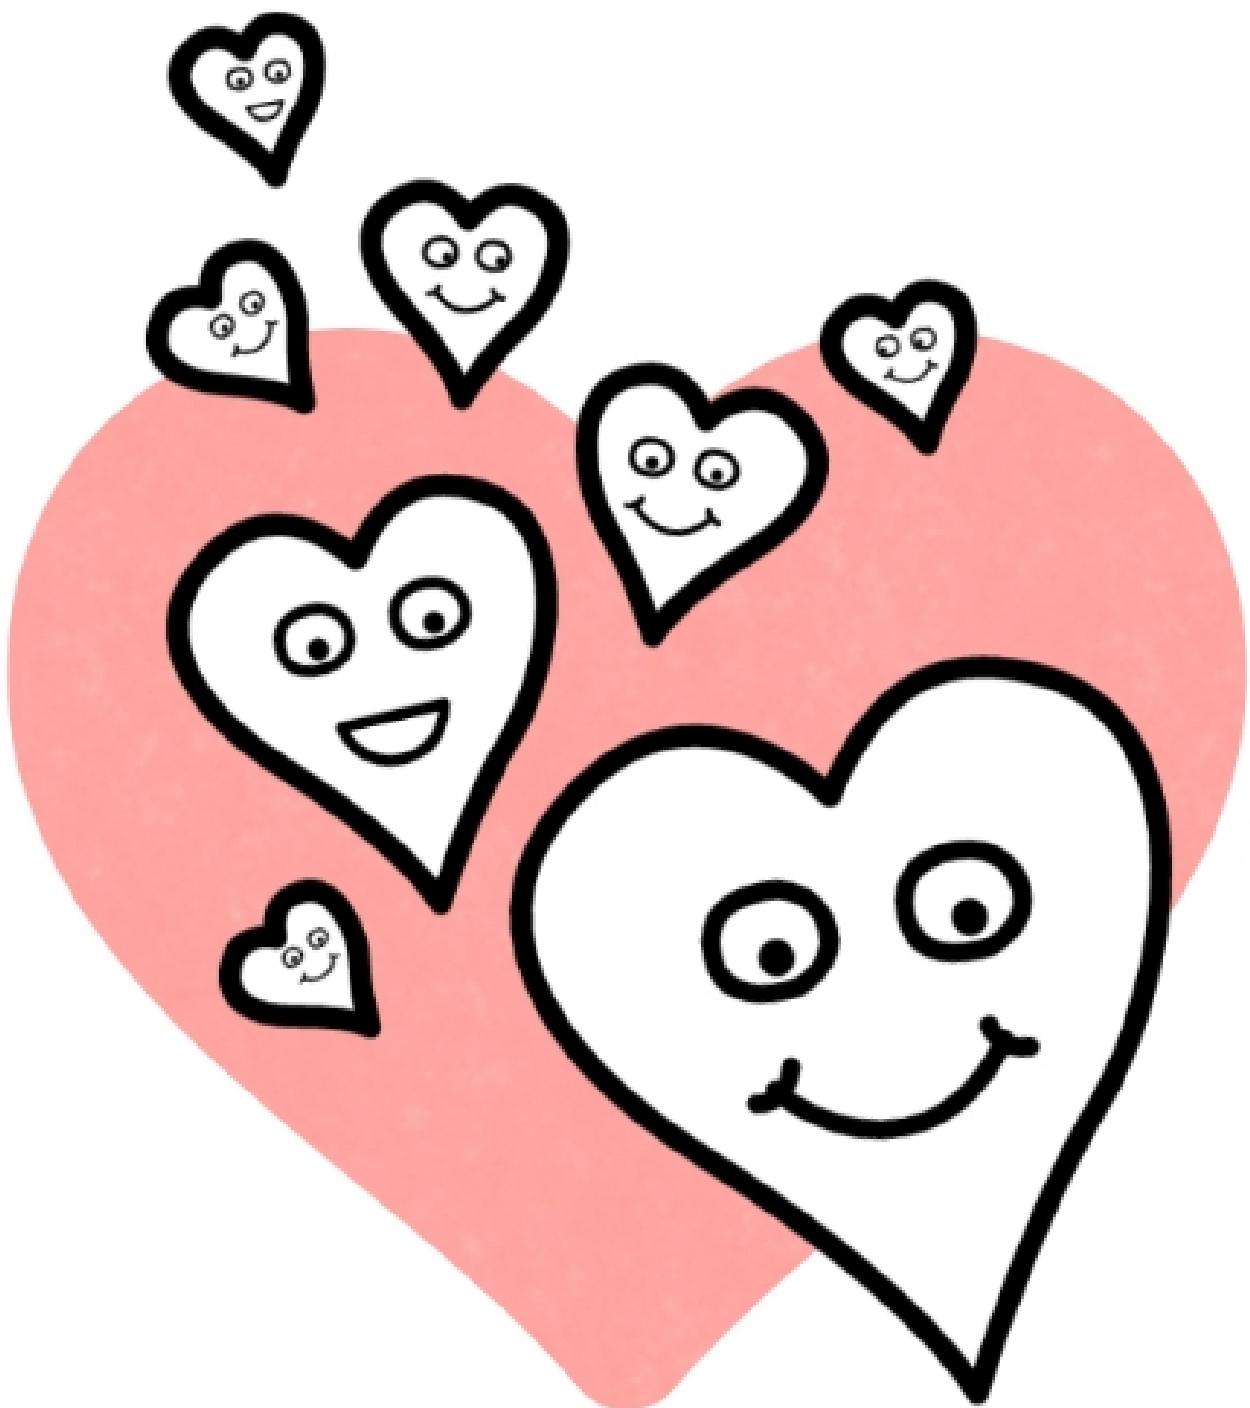

I love that we  
balance each other

# I love doing nothing with you

You make all  
the pieces of  
my heart smile

I love you! And I  
will always do

# So, to sum it all up...

I'm so lucky to  
have you as a  
partner, Oa yjj!

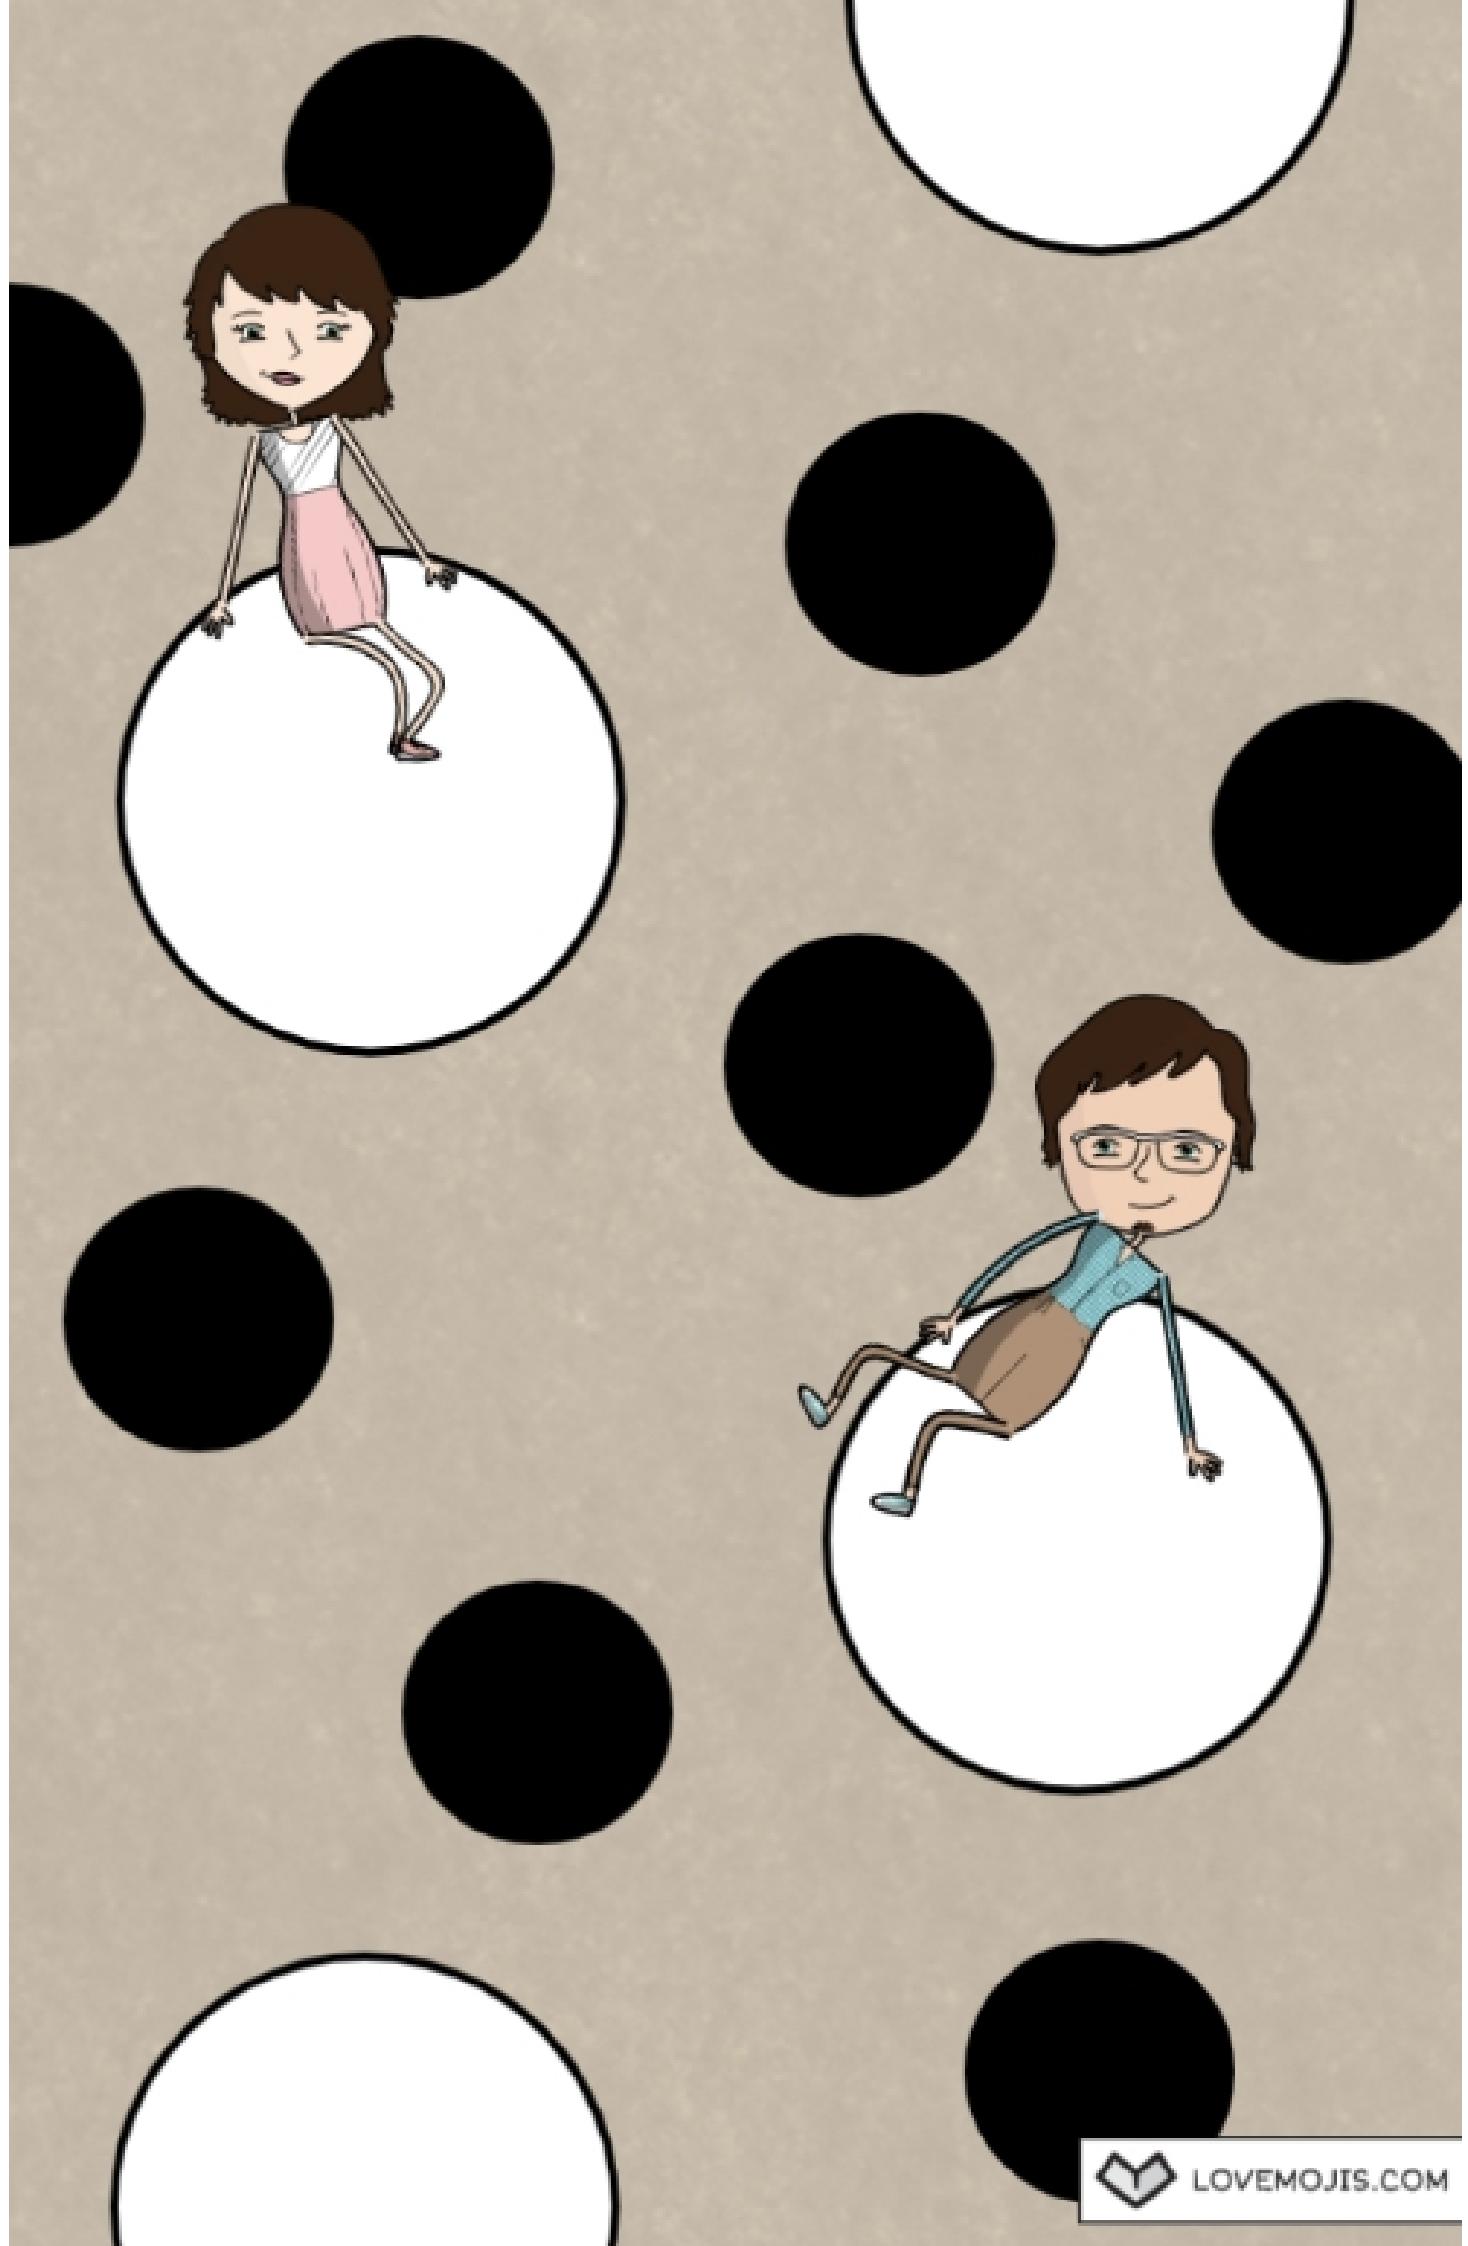

Oa yjj, I created this book to list just some of the ways that I love you. I think about them all the time, but sometimes they're hard to say because of our situation (still not married). Read this and know how much I love you!

Love, Oa oqqp
